Active Guard Reserve (AGR) Position Vacancy

Announcement

DUTIES AND RESPONSIBILITIES:

Supports all aspects of Air Force operations by discovering, collating, analyzing, evaluating and disseminating intelligence information. Produces all-source intelligence, situation estimates, adversarial nation, terrorist, insurgent threat studies, and other intelligence reports and studies. Advises commanders on force protection and intelligence information for US and Partner Nations. Conducts intelligence debriefings of US and allied military personnel involved in combat operations. Prepares mission reports.

Conducts intelligence training. Instructs military personnel on collecting and reporting requirements and procedures, recognition techniques, and assessing offensive and defensive weapon system capabilities. Assists SERE (Survival Evasion Resistance and Escape) and Aircrew Flight Equipment personnel in training personnel recovery and code of conduct, when necessary. Collates intelligence and operations materials, and assembles final products for mission briefing, study, and use.

Produces intelligence materials. Prepares, maintains, and presents intelligence displays, reports and briefings. Discovers, compiles, evaluates, researches, analyzes, and disseminates intelligence information. Establishes intelligence collection requirements. Identifies and establishes unit requirements for intelligence reference materials and maintains intelligence reference files and automated intelligence databases. Uses intelligence automated data systems to store, retrieve, display, and report intelligence information.

Performs support to mission planning and execution. Provides tailored collections planning, threat analysis, and intelligence expertise necessary to develop detailed mission plans for air, space, cyberspace and special operations. Provides current situational awareness and Intelligence, Surveillance and Reconnaissance (ISR) management for the accomplishment of the Air Tasking Order (ATO), Integrated Tasking Order (ITO), Cyber Tasking Order (CTO) or Space Tasking Order (STO). Analyzes intelligence to support military operations. Assists in the performance of, targeting functions to include target development, weaponeering, force application, mission planning, and combat assessment.

Support to Force Protection (FP). Provides FP intelligence support to commanders and their staffs through all source intelligence products and briefings, focusing on human threat capabilities, tactics, trends, courses of action and ongoing threats in the unit's Area of Interest or Area of Responsibility. Analyzes incoming intelligence for FP value and impact. Ensures FP is addressed in current intelligence briefings, pre-mission, and pre-deployment briefings. Provides guidance for unit-level FP-related intelligence external and internal training. Participates in the installation-level Threat Working Group (TWG). Develops realistic human threat scenarios for exercises. Responsible for providing FP for at-home, in-transit, and deployed units.

Assesses vulnerabilities of DoD cyberspace enterprise which could be exploited by adversaries. Systematically assesses data using analytical procedures to document threats, isolate vulnerabilities, identify procedures for minimizing/eliminating vulnerabilities, and recommend Information Operations (IO) techniques to protect telecommunications networks and information.
